

College Statutes and Regulations of the Council

November 2009

PREFACE

This preface is not part of the Statutes or Regulations of the College.

Royal Holloway, as part of the University of London, is subject to the Statutes and Ordinances made under the University of London Act, 1994.

The College's own regulatory framework derives from the Royal Holloway and Bedford New College Act 1985. The first Statutes of the College were set out in a schedule to the Act. The Statutes published in this booklet are essentially the first Statutes, subsequently modified by the Privy Council. The first modifications were introduced by the University Commissioners, using powers conferred on them by Section 204 of the Education Reform Act 1988. These modifications were published in Statutory Instrument 1993, No. 1015, having been approved by the Privy Council on 31 March 1993.

Section 8 of the Royal Holloway and Bedford New College Act gives the Council the power to make regulations, and the current Council regulations are also published in this booklet.

In the Statutes and Regulations words importing the masculine shall include the feminine and, unless the context otherwise requires, words in the singular shall include the plural and words in the plural shall include the singular.

PART III - DISCIPLINE, DISMISSAL AND REMOVAL FROM OFFICE

Disciplinary Procedures

13. (1) Minor faults shall be dealt with informally.
- (2) Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used -

Stage 1 - Oral Warning

If conduct or performance does not meet acceptable standards the member of the academic staff will normally be given a formal ORAL WARNING. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this paragraph. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

Stage 2 - Written Warning

If the offence is a serious one, or if a further offence occurs, a WRITTEN WARNING will be given to the member of the academic staff by the Head of Department. This will give details of the complaint, the improvement required and the timescale. It will warn that a complaint may be made to the Secretary seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 if there is no satisfactory improvement and will advise of the right of appeal under this paragraph. A copy of this written warning will be kept by the Head of Department but it will be disregarded for disciplinary purposes after 2 years subject to satisfactory conduct and performance.

Stage 3 - Appeals

A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the Secretary within two weeks. A Vice-Principal shall hear all such appeals and his decision shall be final.

Preliminary examination of serious disciplinary matters

14. (1) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure in paragraph 13, or in any other case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 may be made to the Secretary who shall bring it to the attention of the Principal.

- (2) To enable the Principal to deal fairly with any complaint brought to his attention under sub-paragraph (1) he shall institute such investigations or enquiries (if any) as appear to him to be necessary.
- (3) If it appears to the Principal that a complaint brought to his attention under sub-paragraph (1) relates to conduct or performance which does not meet acceptable standards but for which no written warning has been given under paragraph 13 or which relates to a particular alleged infringement of rules, regulations or byelaws for which a standard penalty is normally imposed in the College or within the faculty, school, department or other similar area, or is trivial or invalid he may dismiss it summarily, or decide not to proceed further under this Part.
- (4) If the Principal does not dispose of a complaint under sub-paragraph (3) he shall treat the complaint as disclosing a sufficient reason for proceeding further under this Part and, if he sees fit, he may suspend the member on full pay pending a final decision.
- (5) Where the Principal proceeds further under this Part he shall write to the member of the academic staff concerned inviting comment in writing.
- (6) As soon as may be following receipt of the comments (if any) the Principal shall consider the matter in the light of all the material then available and may -
 - (a) dismiss it himself; or
 - (b) refer it for consideration under paragraph 13; or
 - (c) deal with it informally himself if it appears to the Principal appropriate to do so and if the member of the academic staff agrees in writing that the matter should be dealt with in that way; or
 - (d) direct the Secretary to prefer a charge or charges to be considered by a Tribunal to be appointed under paragraph 16.
- (7) If no comment is received within 28 days the Principal may proceed as aforesaid as if the member concerned had denied the substance and validity of the alleged case in its entirety.

Institution of Charges

15. (1) In any case where the Principal has directed that a charge or charges be preferred under paragraph 14(6)(d), he shall request the Council to appoint a Tribunal under paragraph 16 to hear the charge or charges and to determine whether the conduct or performance of the member of the academic staff concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the member's appointment or employment.

- (2) Where the Council has been requested to appoint a Tribunal under paragraph 16 the Secretary or, if he is unable to act, another officer appointed by the Principal shall take charge of the proceedings.
- (3) The officer in charge of the proceedings shall formulate, or arrange for the formulation of, the charge or charges and shall present, or arrange for the presentation of, the charge or charges before the Tribunal.
- (4) It shall be the duty of the officer in charge of the proceedings
 - (a) to forward the charge or charges to the Tribunal and to the member of the academic staff concerned together with the other documents therein specified, and
 - (b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Tribunal.

The Tribunal

16. A Tribunal appointed by the Council shall comprise:

- (a) a Chair; and
- (b) a member of the Council, not being a person employed by the College; and
- (c) one member of the academic staff nominated by the Academic Board:

Provided that in any case where the member of the academic staff concerned is an Appointed Teacher of the University, the Tribunal shall include, in addition to the members referred to under sub-paragraphs (b) and (c), two members nominated by the University, not being persons employed by the College.

Provisions Concerning Tribunal Procedure

- 17. (1) The procedure to be followed in respect of the preparation, hearing and determination of charges by a Tribunal shall be that set out in regulations made under this paragraph.

- (2) Without prejudice to the generality of the foregoing such regulations shall ensure -
- (a) that the member of the academic staff concerned is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of charges by a Tribunal;
 - (b) that a charge shall not be determined without an oral hearing at which the member of the academic staff concerned and any person appointed by him to represent him are entitled to be present;
 - (c) that the member of the academic staff and any person representing the staff member may call witnesses and may question witnesses upon the evidence on which the case against him is based; and
 - (d) that full and sufficient provision is made -
 - (i) for postponements, adjournments, dismissal of the charge or charges for want of prosecution, remission of the charge or charges to the Principal for further consideration and for the correction of accidental errors; and
 - (ii) for appropriate time limits for each stage (including the hearing) to the intent that any charge thereunder shall be heard and determined by a Tribunal as expeditiously as reasonably practicable.

Notification of Tribunal Decisions

18. (1) A Tribunal shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Principal and to each party to the proceedings.
- (2) A Tribunal shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

Powers of the appropriate officer where charges are upheld by Tribunal

19. (1) Where the charge or charges are upheld and the Tribunal finds good cause and recommends dismissal or removal from office, but in no other case, the appropriate officer shall decide whether or not to dismiss the member of the academic staff concerned.

- (2) In any case where the charge or charges are upheld, other than where the appropriate officer has decided under sub-paragraph (1) to dismiss the member of the academic staff concerned, the action available to the appropriate officer (not comprising a greater penalty than that recommended by the Tribunal) may be -
- (a) to discuss the issues raised with the member concerned; or
 - (b) to advise the member concerned about his future conduct; or
 - (c) to warn the member concerned; or
 - (d) to suspend the member concerned for such period as the appropriate officer shall think fair and reasonable, not to exceed 3 months after the Tribunal's decision; or

- (3) Where the appropriate officer has decided under paragraph (1) to dismiss a member of the academic staff who is an Appointed Teacher of the University, the officer shall inform the Vice-Chancellor of the University so that, subject to the outcome of any appeal made by the member of the academic staff under Part V, the University may withdraw from the Teacher the status or title of Professor or Reader of the University.

22. (1) Where it appears that the removal of a member of the academic staff on medical grounds would be justified, the appropriate officer -
- (a) shall inform the member accordingly; and
 - (b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.
- (2) If the member shares that view the College shall meet the reasonable costs of any medical opinion required.
- (3) If the member does not share that view the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any medical evidence submitted by the member), to a Board comprising one person nominated by the Council; one person nominated by the member concerned or, in default of the latter nomination, by the Academic Board; and a medically qualified chair jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

- (2) The Secretary shall bring any notice of appeal received (and the date when it was served) to the attention of the Council and shall inform the appellant that he has done so.
- (3) Where the notice of appeal was served on the Secretary outside the 28-day period the person appointed under paragraph 28 shall not permit the appeal to proceed unless he considers that justice and fairness so require in the circumstances of the case.

Persons appointed to hear and determine appeals

28. (1) Where an appeal is instituted under this Part the Council shall appoint a person described in sub-paragraph (2) to hear and determine that appeal.
- (2) The persons described in this sub-paragraph are persons not employed by the College holding, or having held, judicial office or being barristers or solicitors of at least ten years' standing.
- (3) Subject to sub-paragraph (5) the person appointed shall sit alone unless he considers that justice and fairness will best be served by sitting with two other persons.

and
 - (b) one member of the academic staff nominated by the Academic Board.

 - (c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and
 - (d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as reasonably practicable.
- (3) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may -
- (a) remit an appeal from a decision under Part II to the Council as the appropriate body (or any issue arising in the course of such an appeal) for further consideration as the person or persons hearing the appeal may direct; or
 - (b) remit an appeal arising under Part III for re-hearing by a differently constituted Tribunal to be appointed under that Part; or
 - (c) remit an appeal from a decision of the appropriate officer under Part IV for further consideration as the person or persons hearing the appeal may direct; or

Notification of decisions

The person appointed shall send the reasoned decision, including any decision reached in exercise of his powers under paragraph 29(3)(a), (b) or (c), on any appeal together with any findings of fact different from those come to by the Council as the appropriate body under Part II or by the Tribunal under Part III, as the case may be, to the Principal, to the parties to the appeal and to the Vice-Chancellor of the University in the case of an appeal by a member of the academic staff who is an Appointed Teacher of the University.

PART VI - GRIEVANCE PROCEDURES

Purpose of Part VI

31. The aim of this Part is to settle or redress individual grievances promptly, fairly and so far as may be, within the faculty, school, department or other similar area by methods acceptable to all parties.

Application

32. The grievances to which this Part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate -
 - (a) to matters affecting themselves as individuals; or
 - (b) to matters affecting their personal dealings or relationships with other staff of the College,

not being matters for which express provision is made elsewhere in this statute.

Exclusions and Informal Procedures

33. (1) If other remedies within the faculty, school, department or other similar area have been exhausted the member of the academic staff may raise the matter with the Head of the faculty, school, department or other similar area.
- (2) If the member of the academic staff is dissatisfied with the result of an approach under sub-paragraph (1) or if the grievance directly concerns the Head of the faculty, school, department or other relevant area, the member may apply in writing to the Principal for redress of the grievance.

- (3) If it appears to the Principal that the matter has been finally determined under Part III, IV or V or that the grievance is trivial or invalid, he may dismiss it summarily, or take no action upon it. If it so appears to the Principal he shall inform the member and the Grievance Committee accordingly.
- (4) If the Principal is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of) -
 - (a) a complaint under Part III;
 - (b) a determination under Part IV;
 - or
 - (c) an appeal under Part V;

he shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he shall notify the member and the Grievance Committee accordingly.

- (5) If the Principal does not reject the complaint under sub-paragraph (3) or if he does not defer action upon it under sub-paragraph (4) he shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him to seek to dispose of it informally. If he so decides he shall notify the member and proceed accordingly.

Grievance Committee Procedure

- 34. If the grievance has not been disposed of informally under paragraph 33(5), the Principal shall refer the matter to the Grievance Committee for consideration.
- 35. The Grievance Committee to be appointed by the Council shall comprise -
 - (a) a Chair;
 - and
 - (b) a member of the Council not being a person employed by the College;
 - and
 - (c) one member of the academic staff nominated by the Academic Board.

Procedure in connection with determinations; and right to representation

- 36. The procedure in connection with the consideration and determination of grievances shall be determined in regulations in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

Notification of decisions

- 37. The Committee shall inform the Council whether the grievance is or is not well-found and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit.

REGULATIONS OF THE COUNCIL

THE COUNCIL

1. Appointment of members of the Council (Statute 3(1))

- 1.1 Recommendations for appointment to the Council under Statute 3(1)(b)(vi) shall be made by a Nominations & Honorary Awards Committee, whose terms of reference, constitution and membership shall be determined by the Council.
- 1.2 Statute 5(1) stipulates that members of the Council appointed under Statute 3(1)(b)(vi) shall be eligible for re-appointment after one term of office. Such a re-appointment for a second term of office will be made by decision of the Council on the recommendation of the Nominations & Honorary Awards Committee. Re-appointment for any further term or terms of office may be made only in exceptional circumstances and shall be by decision of the Council on the recommendation of the Nominations & Honorary Awards Committee.

[Note 1: Regulations for the election of members, in accordance with Statute 3(2), were adopted by the Council on 12.2.87]

2. Vacation of office by members of the Council (Statute 7) and responsibility of individual members (Statute 8)

The Secretary shall provide each newly appointed or newly elected member of the Council with a copy of the College Act, Statutes and Regulations; and shall draw the member's attention to the provisions of Statutes 7 and 8.

3. Meetings of the Council (Statute 9)

Each session the Secretary shall prepare a calendar of meetings of the Council to be held in the following session. This shall be approved by the Council and published in the College.

4. Agenda

An agenda paper shall be despatched at least three working days before each meeting of the Council. At any meeting of the Council consideration of any subject not specified in the agenda paper may be adjourned by the Chair until the next meeting.

5. Notice of special meetings of the Council

Written notice of any special meeting of the Council shall be despatched six working days before the date of the meeting except that, where in the opinion of the Chair there is

urgency and he so directs, the notice may be despatched three working days before the date of the meeting.

6. Travelling expenses

The reasonable travelling expenses of members of the Council in attending meetings of the Council and in making any other journeys at the request of or with the approval of the Council may be paid by the College.

7. Declaration of Personal or Financial Interests

7.1 Members of the Council and senior College officers shall provide once each year, at the request of the Secretary, a written declaration of their personal or financial interests in any areas relevant to College activities. These declarations will be kept on file by the Secretary and will be made available on request, under the Freedom of Information Act 2000.

7.2 Members of the Council and senior College officers shall also declare any personal or financial interests in matters which are considered or presented to meetings of the Council, or other College committees, or at other relevant times and shall take no part in any decisions relating to such matters. The Chair may require a member to withdraw from any meeting while such business is under discussion.

COMMITTEES (Statutes 14 and 15)

8. Effectiveness review

The Council shall review, every three years, all the Committees which it has appointed and shall publish in the College a list of its Committees and their membership.

9. Chair of Council

9.1 The Chair of Council shall be elected as set out in Statute 4(1). The Nominations & Honorary Awards Committee shall normally submit a nomination to the Council; this shall be decided at a meeting of the Nominations & Honorary Awards Committee at which time the present Chair and any other interested party shall withdraw.

9.2 On appointment, the Chair's term of office as a member of the Council will be altered so as to be the same as his term of office as Chair.

9.3 The Chairman of Council will be elected for a period of five years, with a review after 12 months. It would normally be expected that he would step down at the end of this period. In particular circumstances, however, and following an appraisal and consideration by the Nominations & Honorary Awards Committee (or its successor), the period of office may be extended for up to a further two years to allow the particular circumstances to be dealt with.

10. Principal

The Principal shall be an ex officio member of all committees established by the Council and the Academic Board other than those cases when the committee's terms of reference and procedures stipulate otherwise.

11. Appointments to Committees and Period of Office

11.1 Appointments to Committees shall normally take effect from the first day of October each year. A casual vacancy in any Committee may be filled at any time by the Council or other proper appointing body, as the case may be, but any Committee may act notwithstanding a vacancy or vacancies, subject to the quorum specified for that Committee.

If the absence is close to the end of the member's term of office, it would be appropriate to make a new appointment to cover the unexpired portion of the term of office, together with a normal three-year term of office. INTRODUCTION

1. Statute 3 stipulates that the Council of the College shall consist of twenty-five members; two ex officio, sixteen - including six nominated members - appointed by the Council, and seven elected.
2. The nominated members include two, nominated by such associations of former students of Royal Holloway College, Bedford College and of the College, as may from time to time be recognised by the Council as being representative of the former students. In June 2000, the Council agreed that the recognised association would be all former students with whom the College is in touch.

This panel will comprise principally alumni of the Colleges, but should also include a number of people who are familiar with the current requirements of the Council and at least one member who is involved with selecting Council members from other categories. 6. The panel will review these applications and arrange to interview those they consider most closely match the requirements of the Council. If necessary, the panel will call for further nominations.

7. Selection should be on objective criteria, bearing in mind the skills matrix of existing Council members and noting that:

“All members should exercise their responsibilities in the interests of the institution as a whole rather than as a representative of any constituency”
