

Hi, my name is Dr Harvey Moyne, although the doctor part is very recent! I studied my BSc, MSc and PhD all at

Royal Holloway - I've been a student here so long it that it equates to nearly 8% of the time that the university has existed!

As well as helping out occasionally at Royal Holloway, I currently work full-time as a lecturer at Brunel university. I'm very much looking forward to discussing my experiences of the transition from student to academic and I hope you find what I have to say useful and perhaps entertaining.
