• How to work with your supervisor

First steps

Arrange your first formal supervisory meeting

Establish mutual expectations

• Frequency of meetings
• General ways of working and communication
• What do you prepare in advance for each meeting?
• Record meetings using the log?
  • https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/pgr-record-of-supervisor-contacts.docx

Agree your supervisory team and complete the form:

https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/supervisor-arrangement-confirmation-form.docx

Discuss potential training needs – Training needs and analysis tool

https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/updatetrainingrequirementsandneedsanalysistool-2016.docx
How to work with your supervisor

Next steps

Attend the RDP session ‘Getting the Most from your Supervisor’
https://moodle.royalholloway.ac.uk/mod/page/view.php?id=201310

What your supervisor does for you

• Consolidate your research topic/question
• Suggest appropriate reading materials
• Advise on techniques and methods
• Provide feedback on work practices
• Identify research ethics queries
• How to work with your supervisor (cont.)

What you can do for your supervisor

Keep in regular contact with your supervisor (Respond to your emails!)

Keep to deadlines

Send materials promptly, allowing time to read

Advisor

They should act as a second independent staff member who exercises oversight on the whole process
Research Training

All full time PhD students should attend an average of at least 5 days training per academic year, (2.5 days for part time students) which can be made up of the following

• RDP – Moodle https://moodle.royalholloway.ac.uk/course/view.php?id=1861.
  
  To develop skills: Details at College Induction

• School/Department specific training

Comp. Sci., Maths and ISG currently run a joint set of training seminars:

https://intranet.royalholloway.ac.uk/computerscience/informationforcurrentstudents/postgraduatereasearch/postgraduatetraining.aspx

Remember to discuss and complete your ‘Training Needs Analysis Tool’ during your first term.

Thereafter keep a ‘Research Training Log’. This forms part of your annual review
• Submission of conference paper abstract: half day;
• Presentation of poster at conference: half day;
• Presentation of conference paper: 1.5 days;
• Submission of paper or book chapter for publication: 2 days;
• Organisation of conference as part of a committee; 2 days
• Volunteer to help at a conference for one day: 1 day.
• **Review of academic progress**

• **Annual Review**: All full and part time students should be formally reviewed at least once every 12 months.

All documents can be found on the Doctoral School microsite

https://intranet.royalholloway.ac.uk/doctoral-school/pgr-student-lifecycle/annual-review-and-upgrade/annual-review-and-upgrade.aspx

• Give a presentation to your fellow students on your research
• Upgrade from MPhil to PhD

1\textsuperscript{st} Attempt within 20 months of starting (26 Months for CDT students)

Present your work to committee of Supervisor, Advisor and 1 other staff member

If failed then 2\textsuperscript{nd} attempt must take place within 24 months of starting (30 months for CDT students)
• Submitting your PhD

Strict Deadline

You must submit within 4 years of your initial registration date (5 years for CDT)

Viva (1 external and 1 internal examiner) will take place a few months after submission
• Ethics

Besides obvious ethical issues like Plagiarism some of you may have to deal with sensitive data.

There is a question in the Upgrade form as to whether you have considered this and there is also an online Self-assessment to see if it is something you need to consider

https://intranet.royalholloway.ac.uk/staff/research/research-and-enterprise/research-enterprise/ethics/home.aspx
Staff Student Committee

- The Staff Student Committee will meet at least twice a year.

- This is an opportunity for you to give us feedback, to discuss topics that are of importance to you, and to suggest how the PGR provision for the School could be improved.

- There will be 2 to 3 student departmental representatives together with a rotating selection of PGR leads from each Dept. There will also be Admin support from the Doctoral School.
• Problems

• Dispute with your supervisor: discuss with Advisor, Departmental PGR lead or me.
• Serious Illness: possible to Interrupt studies
• College Support: Wellbeing
