A warm welcome to all new PGRs in Engineering, Physics, Maths, ISG (CDT and non-CDT), Computer Science.

- School Director of PGR Education: Rikke Bjerg Jensen (ISG)

We aim to provide

- A stimulating environment - seminars, reading groups, peers
- Necessary resources - equipment, journals etc.
- Support and Advice - supervisor, advisor, college bodies – Doctoral School
Today’s session will cover

- Admin Support
- EPMS School structure for PGR
- Links to key references
- Expectations by year - incl. attendance / engagement (Tier 4)
- How to work with your supervisor - incl. supervision log / frequency of meetings
- Research training
- Review of academic progress – Annual Review and Upgrade
- Ethics
- Staff Student Committee
- Questions
- Health and Safety / Doctoral School / Wellbeing
Admin Support

- School Director of PGR Education: **Rikke Bjerg Jensen** (ISG)
- Doctoral School Staff handling EPMS matters: **Jo Barrs** and **Erika Holden**

CDT in Cyber Security for the Everyday: **Claire Hudson**

Claire and Issy McKinnon from the EPMS office are in charge of desk allocation for Comp. Sci., Maths and ISG PGR students in Bedford and Issy/EPMS office will co-ordinate allocations in other Depts.
EPMS School structure

Department: **Electronic Engineering** *(Shilling building)*
- PGR Lead: Shyqyri Haxha

Department: **Physics** *(Tolansky)*
- PGR Lead: Phil Meeson

Department: **Mathematics** *(Lower ground floor McCrea)*
- PGR Lead: Pat O’Mahony

Department: **Information Security** *(Bedford)*
- PGR Lead: me (for now!)

Department: **Computer Science** *(Bedford)*
- PGR Lead: Chris Watkins
Departmental and College inductions

• College Induction - all 2-3pm online.
  
  Tuesday 28 Sept:  How the Doctoral School will support your student journey  
  Thursday 30 Sept:  Researcher Development and Career training opportunities  
  Friday 1 October:  Teaching in Higher Education

• Departmental Inductions:

  Computer Science:
  
  Electronic Engineering: Tuesday 5 October, 2-3pm
  Centre for Doctoral Training (CDT) in Cyber security: Thursday 23 September (done)
  Physics: Thursday 23 September (done)
  Maths and all ISG (including CDT): Friday 8 October, 2-3pm

How to work with your supervisor

First steps

Arrange your first formal supervisory meeting

Establish mutual expectations

• Frequency of meetings

• General ways of working and communication

• What do you prepare in advance for each meeting?

• Record meetings using the log? [https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/pgr-record-of-supervisor-contacts.docx](https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/pgr-record-of-supervisor-contacts.docx)

Agree your supervisory team and complete the form: [https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/supervisor-arrangement-confirmation-form.docx](https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/supervisor-arrangement-confirmation-form.docx)

Discuss potential training needs – Training needs and analysis tool

[https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/new-research-log.docx](https://intranet.royalholloway.ac.uk/doctoral-school/assets/docs/doc/new-research-log.docx)
How to work with your supervisor

Next steps

Attend the RDP session ‘Getting the Most from your Supervisor’

https://moodle.royalholloway.ac.uk/mod/page/view.php?id=201310

What your supervisor does for you

• Consolidate your research topic/question
• Suggest appropriate reading materials
• Advise on techniques and methods
• Provide feedback on work practices
• Identify research ethics queries
What you can do for your supervisor

Keep in regular contact with your supervisor *(Respond to your emails!)*

Keep to deadlines

Send materials promptly, allowing time to read

Advisor

They should act as a second independent staff member who exercises oversight on the whole process
All full time PhD students should attend an average of at least 5 days training per academic year, (2.5 days for part time students) which can be made up of the following

**School/Department specific training**

Comp. Sci., Maths and ISG currently run a joint set of training seminars: information will be sent later.

Some CDT specific training sessions will be open to everybody in the School.

Physics are part of SEPNET (South East Physics Network) which offer some training sessions of general interest and will be open to PGR students in the School. Further information will be circulated in due course.
Research training (cont.)

Remember to discuss and complete your ‘Training Needs Analysis Tool’ during your first term. Thereafter keep a ‘Research Training Log’. This forms part of your annual review.

• Submission of conference paper abstract: **half day**;
• Presentation of poster at conference: **half day**;
• Presentation of conference paper: **1.5 days**;
• Submission of paper or book chapter for publication: **2 days**;
• Organisation of conference as part of a committee; **2 days**
• Volunteer to help at a conference for one day: **1 day**.
Review of academic progress

**Annual Review**: All full and part time students should be formally reviewed at least once every 12 months.

All documents can be found on the Doctoral School microsite

https://intranet.royalholloway.ac.uk/doctoral-school/pgr-student-lifecycle/annual-review-and-upgrade/home.aspx
Upgrade from MPhil to PhD

1st Attempt within 20 months of starting (26 Months for CDT students)

- Present your work to committee of Supervisor, Advisor and 1 other staff member

If failed then 2nd attempt must take place within 24 months of starting (30 months for CDT students)
Submitting your PhD

Strict Deadline

You must submit within 4 years of your initial registration date (5 years for CDT)

Viva (1 external and 1 internal examiner, independent chair, sometimes the supervisor) will take place a few months after submission
Ethics

Besides obvious ethical issues like Plagiarism some of you may have to deal with other ethical issues.

Discuss with your supervisor!

There is a question in the Upgrade form as to whether you have considered this and there is also an online Self-assessment to see if it is something you need to consider

https://intranet.royalholloway.ac.uk/staff/research/research-and-enterprise/research-enterprise/ethics/home.aspx
The School PGR Student Staff Committee meet 3 times a year.

There are currently 11 students from the 5 Depts on the Committee and the Committee is chaired by a student.

This is an opportunity for you to give us feedback, to discuss topics that are of importance to you, and to suggest how the PGR provision for the School could be improved.

There is Admin support from the Doctoral School.
Problems

- Dispute with your supervisor: discuss with Advisor/second supervisor, Departmental PGR lead or me.
- Serious Illness: possible to Interrupt studies
- College Support: Wellbeing

There is a School Induction Page on the Doctoral School website with several recorded videos on key services for PGR students provided by the College
