

## The School of Humanities listened to your feedback ....

### You said

There is a lack of training on how to build research networks.

There is a lack of opportunities to build community.

There is a lack of training on how to engage non-academic audiences.

### We did

In 2023/24, the 'Ways of Working' added the session 'Developing Networks'.

- The room bookings for the 'Ways of Working' sessions have been extended by an hour to foster discussion after the sessions.
- PGRs were invited to the School's research day in September 2023.

In 2023/24, the 'Ways of Working' added the session 'Communicating with Different Audiences'.
