There is a lack of visibility of the wellbeing support available to PGRs.

A Wellbeing representative is invited to Student-Staff Committee meeting.

There is a lack of PGR community.

The School has organised seminar series and workshops both at department and School level to foster a sense of belonging.

We'd like to have a say on the development of the School's research culture.

A consultation is ongoing to involve PGRs in the creation of a research culture they'd like to be a part of.
