The milestones of the PGR lifecycle are unclear.

The new session 'Welcome to your PGR studies' was offered to new PGRs in Term 1.

There is a lack of in-person events.

The Doctoral School conference took place in the Windsor Building on 2 November 2023.

There is not enough writing support available for PGR students.

A writing tutor is now available for group sessions and 1:1 consultation on academic writing.
