Change of Name Policy

When you apply to study at Royal Holloway, University of London the name you provide should match the name shown on your passport, EU National Identity Card or Marriage Certificate. As part of your enrolment process we will ask to see your passport or EU National Identity Card to check that we have the correct name recorded on the student record system.

Once verified at enrolment, this is the name that will be used throughout your academic career at Royal Holloway and it will be the name that is used on your degree certificate if you successfully complete your programme of study.

First name and family name

Your name will be recorded in the following format: First Name (or given name) followed by your Family Name.

If you are known by a single name (and do not have a first name and a family name), your name will be recorded as your ‘First Name’ on our records and your ‘Family Name’ will be left blank.

Preferred first name

If you prefer to be known by a different or abbreviated first name (e.g. Nick instead of Nicholas), this can be entered as your preferred first name during the Online Sign-Up process or by contacting the Student Services Centre during your studies.

Changing your name during your programme of study

If you wish to be known by a different name you can change your name at any time, provided you do not intend to deceive or defraud another person. There is no legal procedure to follow in order to change a name. You can simply start using the new name. You can change your forename or surname, add names or rearrange your existing names. As a public organisation we have a duty to prevent fraud, therefore we require you to provide evidence of the change before we can update your student record.

To update your name with the College you will need to present one of the following documents* (original or a certified copy) to the Student Services Centre:

- Passport
- Marriage Certificate
- Decree Absolute
- Change of Name Deed or Deed Poll
- Statutory Declaration
- Public Announcement
- Police Report (if you have adopted a new name for personal safety reasons)

If you have only recently adopted your new name, we strongly advise that the name you choose to register with us, is the name that you are planning to use on all official documents (e.g. your passport) otherwise certain institutions or organisations may not recognise your qualification in
future, if the name on your degree certificate does not match your name on other official documents.

We reserve the right to request additional evidence if there is any doubt that you are not intending to abandon use of your former name and use your new name for all purposes.

In addition to updating your name on the student record system we will also issue you with a new College Card and submit a request to IT on your behalf to update your College Email Address.

If you also wish to change your title e.g. Mr, Mrs, Miss, Ms, Mx and/or gender please just let the member of staff know when they are processing your change of name.
