If you have determined that the candidate is required to make specified amendments to your satisfaction within 3 months (for minor amendments) or within 9 months (for amendments to address errors of substance or omission), please set out clearly below the amendments required. Please ensure that the details of the deadline for the amendments and the name of the examiner to whom the amended thesis should be sent are completed (above). Within two weeks of the oral examination, this form should either be given directly to the candidate or attached to the yellow Decision Report form that is sent to Student Administration. In the case of the latter option, Student Administration will advise the candidate of the amendments required.
