

## MPhil / PhD Examination – List of Minor Amendments (Resubmission)

*Examiners:*

*Candidate:*

*Level of Exam (MPhil/PhD):*

*Thesis Title:*

*Deadline for submission of minor amendments (within 3 months):* \_\_\_\_\_

*Name of the examiner to whom the amended thesis should be sent:* \_\_\_\_\_

If you have determined that the candidate is required to make specified minor amendments to your satisfaction within 3 months, please set out clearly below the amendments required. Please ensure that the details of the deadline for the amendments and the name of the examiner to whom the amended thesis should be sent are completed (above). Within two weeks of the oral examination if a second viva is required or within 3 months of receipt of the resubmitted thesis if no second viva is required, this form should either be given directly to the candidate or attached to the yellow Decision Report form that is sent to Student Administration. In the case of the latter option, Student Administration will advise the candidate of the minor amendments required.
