

# Top Tips for Staying Safe & Secure...

**Non-residential bus** - if you live within a 3 mile radius of the College you can use the SU bus which runs every night during term time. Get your tickets from the SU reception (£1 or £20 for annual pass) .

**Hide it** - keep items of value out of sight as much as possible.

**Stay Alert** - unplug your ipod when walking alone & don't use your phone – with distractions you might just miss something.

**Personal Safety Alarms** - carry a personal safety alarm on you. You can collect one free from Founder's West 170. Once you have one, keep it somewhere accessible so it's easy to activate.

**Taxi tips** - if you travel by cab always sit behind the driver & only use licensed cabs - if in doubt don't get in!

**Safety in numbers** - where possible avoid walking home alone after dark!

**Drinks** - never leave your drink unattended in a pub or club, get a friend to keep an eye on them.

**Know your limits** - excessive alcohol will dull your instincts.

# Top Tips for Staying Safe & Secure...

**Keep in touch** - if possible keep others informed of the time you're due home or agree to text your mates once you all get home safely.

**Keep things close** - don't leave your bags & bits unattended, even for a few seconds - that's all it takes for someone to take them!

**No short cuts** - avoid taking short cuts. Stick to well lit main routes even if it does add time to your journey.

**Your stuff** - protect items of value by having them security marked and insured. Make a list of personal property including descriptions & security numbers.

**Lock it up!** - always keep your windows and doors closed and secured, even if you're only popping out for a short time.

Useful emergency contact numbers to Store in your phone

College Security - 01784 443063

Surrey Police - 101 / 999

Health Centre (office hrs) - 01784 443131

Health Centre (out of hrs) - 0118 9365390

Students' Union - 01784 486300

If you have to call the emergency services to campus, please also inform College Security to ensure a swift response to the issue.

**Pin** - always shield your pin at ATMs & in shops.
