

Coursework Rubric 2018

Module	Title	Summative Coursework	% of Module
EE1000	Embedded systems team project 1	Team Presentation	25%
EE1000	Embedded systems team project 1	Team Website	15%
EE1000	Embedded systems team project 1	Lab book	60%
EE1010	Programming in C++	Report	30%
EE1010	Programming in C++	Lab book	10%
EE1010	Programming in C++	Exam	60%
EE1020	Electronic circuits and components	Report	30%
EE1020	Electronic circuits and components	Lab book	10%
EE1020	Electronic circuits and components	Exam	60%
EE1030	Communications engineering 1	Report	30%
EE1030	Communications engineering 1	Lab book	10%
EE1030	Communications engineering 1	Exam	60%
EE1040	Principles of sustainable engineering	Report	25%
EE1040	Principles of sustainable engineering	Exam	75%

Exam Rubric 2018

Module	Title	Section A (40%)	Section B (60%)	Length
EE1010	Programming in C++	Answer all Questions	Answer 2 from 3 Questions	2 hour
EE1020	Electronic circuits and components	Answer all Questions	Answer 2 from 3 Questions	2 hour
EE1030	Communications engineering 1	Answer all Questions	Answer 2 from 3 Questions	2 hour
EE1040	Principles of sustainable engineering	Answer all Questions	Answer 2 from 3 Questions	2 hour
