

Linking to your Moodle course to the RePlay service

Recordings are viewed by students via Moodle. To enable this, you will need to set up a link from your Moodle course to the RePlay service.

1. Go to your Moodle course and turn editing on.
2. In the RePlay block (on the right-hand side of the page) select the Configuration icon:

N.B. If you cannot see the block it may have been 'Docked'. Check the narrow column on the left of the page.

3. In the configuration screen select "Add this course to RePlay":

CONFIGURING A REPLAY BLOCK

Select the course to display in this block.

Add this course to RePlay (re-add to sync user lists)

-- OR --

Select an existing course: EC1111-201213: 12-13 EC1111: International Economic Policy

```

- Click on 'Back to config' then select 'Save changes' to return to your course, where your RePlay block will now look like this:

The screenshot shows a Moodle 'REPLAY' block. It contains sections for 'Live Sessions' (No Live Sessions), 'Completed Recordings' (RePlay test 2, RePlay test 1), 'Podcast Feeds' (Audio Podcast (RSS), Video Podcast (RSS)), and 'Links' (Course Settings, Download Recorder (Windows | Mac)).

- You can now request your recordings to be made by filling in the [Online booking form](#).

NB: Adding new users. If new staff or students are added to your Moodle course, you will need to repeat this process to add these users.
