Accessing MyTimesheets

Timesheets
Once you have logged into MyView you can access my timesheets from the side bar menu.

Select the correct post from the dropdown list at the bottom of the screen and click on form with description create new claim. If you are claiming for more than one role, you are required to complete a claim form for each role.

The timesheet will be displayed showing the job title of the post you selected

Completing the timesheet

1. The description field automatically shows ‘new claim’. Overtype this with the week commencing date for the timesheet, Monday being the first day of the week (see below) and include your name

2. Use the dropdown to select whether the amount is additional hours – paid at basic rate, overtime x 1.5 or overtime x 2.0. If you are hourly paid, the lines will be already present and you will not need to do this step.

3. Enter the date of when the hours were worked in the claim date field. You can either type the date in or pick it from the date picker click on the minus button if you accidently enter too claim dates for the working week

4. Enter the number of hours worked in the amount/units field – this needs to be entered as a digital number e.g. For 5 hours 15 minutes enter 5.25, for 6 and three quarter hours enter 6.75.

5. The rate is picked up from the staff system and is therefore not shown on the timesheet, and as it is derived it will not be displayed under the rate column or in the total fields. Therefore the total and grand total fields will always show as 0.00.

6. To add further rows for claiming hours worked, click on the icon at the end of the last row
