

# Careers and Placements Fair

Wednesday 25 October, 11am-3pm

Picture Gallery, Founder's Building

ROYAL  
HOLLOWAY  
UNIVERSITY  
OF LONDON

# Welcome to the 2023 Careers and Placements Fair

We invite you to come along and speak to employers about graduate schemes, placements and insight days in a wide range of sectors and roles. Open to all students and recent graduates.

To help you prepare beforehand and make the most of your time, we have put together some information on each of the employers attending. This will help you to plan who you will speak to on the day, as well as being a useful reference during and after the event.

You can:

1. Use the table to quickly identify the employers you are interested in and see who is offering opportunities that are relevant to you.
2. Have a look at the organisation descriptions on the following pages for more information about them.

# Employers attending - student checklist

Name of Employer	Degree Disciplines Preferred	Types of role available	What type of opportunities are offered?					Which year groups are the opportunities for?					Are work visas sponsored for international students?

## Aldi

We're the UK's fourth largest supermarket, with over 990 stores across the UK and we'll open our 1000th store in 2023 (not to mention our growing global presence). But we know our success has only been possible thanks to our amazing Aldi colleagues. That's why we celebrate everyone's achievements, offer competitive pay and create great working environments. And that's how we've become a multi award-winning employer - but it's the least we can do. We know that our people make Aldi mean even more.

## AWE PLC

Start your career at the very forefront of nuclear defence. We are a team of remarkable people achieving extraordinary things. AWE plays a crucial role in nuclear defence, providing the warheads for the UK's nuclear deterrent.

We're looking for talented and ambitious people to join us in our work at the forefront of nuclear defence engineering, science and technology.

What we do is unique and so are the people who work here. We have some of the best in the business and our people are truly our most valued asset. We have once again been named as one of the top Best Big Companies to work for in the Sunday Times Best Companies Awards, as well as gaining recognition in a number of other categories this year.

Due to the nature of the work we complete being classified for the Ministry of Defence, we are unable to hire international students, you must be a UK national and have resided in the UK for 5 years for SC clearance, or 10 years for DV clearance. Some dual nationality cases may be considered.

Bring your energy to bp, and make a positive impact on people and our planet. Help us transform our business for the better. Here at bp, we are committed to transforming our business so that we can change energy for the better. Join us in business, digital, engineering, science or trading, and play a vital role in delivering more sustainable energy for all. A better, brighter future starts here.

Our graduate programmes will enhance your knowledge, stretch your skills and enable you to gain real-world experience alongside some of the brightest minds in the industry.

Our internship programme is a chance to start learning and growing with us as you work on some of the most exciting and technically challenging projects our industry has to offer.

## British Army

The Army is distinct from the RAF and Royal Navy in that our tasks are always delivered directly by soldiers through human interaction. They are our greatest asset. We are an inspirational employer who embraces diversity, inclusivity and contributes to society in everything we do. We are leaders in leadership with skills for life and the opportunity for all.

We have to make life-critical decisions and take purposeful action in sometimes hostile, confusing and unclear situations that occasionally test us to the limit of human endurance. Our training, development and preparation is personally rewarding but also ensures we are united by common values and strong bonds and will do the right thing, even under the most difficult circumstances.

## Bupa

We believe that everyone has the potential to achieve great things, no matter where they start from. That's why we offer a range of early careers opportunities designed to make an exciting career happen for you.

Whether you're still studying or have just graduated, there are plenty of ways to start your journey with Bupa.

## Charityworks

Charityworks, the UK non-profit sector's paid graduate scheme and Times Top 100 Graduate Employer, is open for applications but hurry, it closes soon on 28th February 2023.

As a Charityworks Graduate Trainee you will deliver a 12-month full time job in a partner charity or housing association and take part in an acclaimed Institute for Leadership and Management (ILM) recognised leadership programme which will introduce you to what you need to work and lead in the non-profit sector.

In your placement you might be providing vital business support and evaluation at a national charity like NSPCC, leading on the improvement of infrastructure projects with a housing charity, driving business development at a mental health charity like Mind, or serving a community in a local project. Wherever you're placed, you'll have a chance to make a real impact through your work.

Our partner charities have included Mind, Marie Stopes International, Christian Aid, LGBT Foundation, National Housing Federation, Age UK, Barnardo's, Big Issue Invest, Unicef, Who Cares? Scotland, Guide Dogs for the Blind, and many more.

Alongside your placement, you will take part in an acclaimed leadership programme. You'll be supported by our programme team and an external mentor to help you make the most of the year.

At the end of the 12-month scheme you'll have the experience and skills to kick-start your professional career in the UK social sector and beyond.

## Cantello Tayler Recruitment

Cantello Tayler Recruitment offer 140 years' experience providing permanent, temporary and contract candidates to a wide range of industries and sectors, including:

Administration, Office Management, Senior Management, Customer Service, Call Centre Campaigns, Project Management, Graduate Recruitment, Sales, Human Resources, Accounts, Purchasing, Freight & Logistics, Marketing and Creative and IT.

We offer a bespoke service to our candidates, offering as much support and guidance as you require with CV building, job applications, interview tips and offer management.

We are based in, and offer our services to candidates in Surrey and Berkshire, but also cover Hampshire, Buckinghamshire and further-a-field too.

## Enterprise Rent A Car

From our senior leaders to our interns, Enterprise gives everyone the freedom to explore their potential, and the opportunities they need to rise to new challenges and take their skills to the next level - because their growth is what makes Enterprise's growth possible.

Nowhere is this philosophy better illustrated than in our approach to internships and graduate careers. When people join their award-winning Management Training Programme, as an intern or graduate alike, we empower them to start contributing right from the word go. It helps that we are divided up into smaller, local branches, so our interns and graduates gain the skills and experience needed to run their own business in as little as two years.

As a Times Top 50 Employer for Women for 17 years running, Enterprise has created a work environment where women can thrive. We're proud to be helping women break all kinds of stereotypes. With the support of both management and their peers, women joining Enterprise are encouraged to rise to new levels in their career. From mentoring to flexibility for major life events like maternity leave, we ensure that women have what they need to succeed.

Join Enterprise on our Internship or Graduate Programmes, and become one of the new generation helping us write the next chapter of our success story.

## EY (Ernst and Young)

With 300,000 extraordinary people in more than 150 countries, working across four key business areas – Assurance, Consulting, Strategy and Transactions, and Tax – we’re well-equipped to drive long-term value for our clients. And, as a motivated and passionate member of our team, you’ll play a big part in our impactful work – no matter which business area you join. You’ll help communities to thrive, while you thrive in a place where you belong. You’ll have the opportunity to make your career your own, building opportunities for yourself.

We offer Work Experience, Apprenticeships, Undergraduate and Graduate programmes, where you’ll explore your interests while creating your own exceptional experience. So, if you’re interested in making an impact on the working world, one of our programmes could be right for you.

## Gardiner & Theobald

G&T is an independent construction and property consultancy working across all sectors of the built environment.

We focus on minimising risk and creating opportunities to maximise the value of our clients’ developments and property assets. We deliver Project Leadership, Commercial Success, Construction Excellence and Specialist Consultancy working across all sectors of the built environment.

Our people are some of the most respected and highly trained in the industry. We ensure that we remain leaders in our field by investing in learning and development for everyone across the firm.

G&T is one of the most ethical firms in the built environment. Each year the firm and individuals support charitable causes through our social impact programme giving back to the communities we help to build.

## Gartner UK

**Gartner®**

Gartner delivers actionable, objective insight to executives and their teams. Our expert guidance and tools enable faster, smarter decisions and stronger performance on an organization's most critical priorities. We've grown exponentially since our founding in 1979 and we're proud to have nearly 16,000 associates globally that support our 14,000+ clients in more than 100 countries.

Our teams are composed of individuals from different geographies, cultures, religions, ethnicities, races, genders, sexual orientations, abilities and generations. We believe that a diversity of experiences makes us stronger—as individuals, as communities and as an organization. That's why we're recognized worldwide as a great place to work year after year. We've been recognized by Fortune as one of the World's Most Admired Companies, named a Best Place to Work for LGBTQ Equality by the Human Rights Campaign Corporate Equality Index and a Best Place to Work for Disability Inclusion by the Disability Equality Index. Looking for a place to turn your big ideas into reality? Join #LifeAtGartner

Our people are our most valuable asset, so we invest in them from Day 1. When you join our team, you'll have access to a vast array of benefits to help you live your life well. These resources are designed to support your physical, financial and emotional well-being. We encourage continued personal and professional growth through ongoing learning and development opportunities. Our employee resource groups, charity match and volunteer programs keep you connected to your internal Gartner community and causes that matter to you.

## Home Office - Civil Service Fast Stream

Civil Service  
Fast Stream

The Civil Service Fast Stream is an accelerated, cross-Civil Service career path to leadership, and it's recognised as one of the best graduate schemes in the country. Within the Home Office we offer many placements to Fast Streamers providing stretch, development and leadership. These roles will often be working on high priorities for the Department.

The Fast Stream also includes the Direct Appointment Scheme for candidates who have progressed through several stages of the application process but have not met the benchmark for the Fast Stream Assessment Centre (FSAC) or their chosen scheme.

## Home Office - Portfolio & Project Delivery

Home Office

Working in the Project Delivery Profession, you will have the opportunity to support vital change and the delivery of projects in line with departmental priorities at the Home Office. We cover some of the most high-profile policies in Whitehall, issues such as anti-social behaviour, crime prevention, tackling drug use, immigration, policing and terrorism. All are at the heart of the Government's agenda and we work closely and cooperatively with a wide range of other departments.

As a member of this profession, you could be working in

- Project delivery
- Project and programme management
- Agile project management
- Stakeholder management
- Project planning
- Risk management
- Business analysis
- Portfolio management

## IAG Cargo

**IAG**Cargo

At IAG Cargo you'll experience the dynamic world of transportation – we deliver what the world needs. Whether it's to keep the global automobile production lines on schedule, stock supermarket shelves, or transport life-saving drugs. We've even transported the world's largest dinosaur! Through our wide network covering six continents and access to the belly hold of over 500 aircraft – no matter what people require or where they are, we deliver.

The work we do makes a real difference. The responsibility is immense, but something we take huge pride in. Maintaining the operations of this business round the clock, every day of the week, and throughout the year requires a diverse set of skills.

We offer a diverse choice of employment in both front-line operations and corporate positions. In addition to experienced employees, we provide interesting apprenticeships and graduate opportunities for individuals taking their initial steps on their career journey.

## Investment20/20

**INVESTMENT20/20**  
*See your future in finance / 20*

Investment20/20 helps drive a forward thinking, responsible and inclusive investment industry where every firm attracts, develops and retains talented people from all backgrounds.

Since 2013, we have helped more than 2,200 young aspiring professionals start their career in investment management.

Founded as a social enterprise by senior investment management leaders, we are an award winning organisation that became a part of the Investment Association in 2018.

Focused on creating a more diverse and inclusive investment industry, we are driven to ensure: every individual has the capability to succeed and thrive; aspiring professionals can learn, grow and create value for the firms that seek to attract and retain them; and that workforces are truly reflective of the investors, communities and people we serve.

At the heart of Investment20/20 is a real ambition to promote greater opportunity and responsibility and help change the way talent and business collectively thrive. We are driven by our mission to achieve systemic change across the industry so that all investment management firms hire for potential rather than academic background or experience alone.

## Liberty Global

Liberty Global is a world leader in converged broadband, video and mobile communications and an active investor in cutting-edge infrastructure, content and technology ventures.

With our investments in fibre-based and 5G networks we play a vital role in society, currently providing over 85 million fixed and mobile connections and rolling out the next generation of products and services, while readying our networks for 10 Gbps and beyond. We're creating national champions, combining the best broadband and mobile networks under brands such as Virgin Media-o2 in the UK, VodafoneZiggo in The Netherlands, Telenet in Belgium, Sunrise in Switzerland, Virgin Media in Ireland and UPC in Slovakia. Liberty Global Ventures, our global investment arm, has a portfolio of more than 75 companies and funds across content, technology and infrastructure, including strategic stakes in ITV, Univision, Plume, Lionsgate and the Formula E racing series.

We know that championing diversity, equity and inclusion in every part of our business isn't just doing the right thing – it's essential to our success. But we also know we've got work to do. From prioritizing diversity, equity and inclusion in our workplace, to choosing the right investments and partnerships, to bringing broadband, data and digital skills to our communities, we are working hard to create positive change. We're on a journey, and it's an exciting one.

## Local Government National Graduate Development Programme (NGDP)

The NGDP is a fast-track graduate programme for bright and passionate individuals who want to make a difference while excelling in their own careers. It offers the chance to work directly with communities, but also to influence policies and plans at a senior level. All while earning a graduate salary and completing our council-specific leadership and management qualification.

It won't be easy: the sector is facing incredible challenges in an ever-changing world. But that is why councils need your enthusiasm, fresh ideas and passion. You will have the support of colleagues who are driven by the same desire to make a difference, and will gain resilience alongside your cohort of like-minded graduates placed in councils across the country at the same time.

Want the next two years of your life to kick-start a meaningful, successful career in the public sector? Join us to make it happen.

Salary: All graduates hired through the NGDP's national recruitment campaign will be paid a minimum salary of £28,371 (this may be higher in some areas and could increase pending pay negotiations).

## Mazars

Mazars is a leading international professional services firm. We are a united partnership, delivering exceptional quality in audit, accounting, tax, financial advisory and consulting.

At Mazars, we have a wide range of opportunities for you to gain experience in a firm that truly cares about your aspirations. Mazars is also an amazing place to learn and grow. We are known for giving ambitious people responsibility and exposure early in their career.

Our culture is all about, celebrating individuality, thriving on teamwork. We give people the freedom to make a personal contribution to our shared purpose. We work together to deliver quality, create change and make an impact. And we support each other, so that everyone can reach their own potential.

We are open to all disciplines and degree backgrounds. We have also removed our 2:1 minimum requirement and now ask for a strong academic record.

We have Graduate, Placement and Summer Internship opportunities available throughout the year within Audit, Tax and Advisory Services. We also employ into 13 of our offices nationally, meaning there is an opportunity to suit you in whatever field and location you wish to start your career in.

## McLaren Automotive Limited

No restraints. No limitations. We do not simply push boundaries. We completely rethink them. McLaren Automotive exists to create breath-taking performance road cars. With innovation at the core of all we do, every challenge starts with the same question. How can we do it better? This restless spirit runs right through McLaren Automotive. And the search for perfection is evident in everything we do. Our customers are also at the forefront of every decision we make, we constantly strive to exceed their expectations. We keep our focus sharp but our energy light. We are hungry to win but driven by progress. We appreciate our differences and build community.

## Moore Kingston Smith

Moore Kingston Smith is a dynamic, leading UK firm of accountants and business advisers. As trusted advisers to businesses, private individuals and not for profit organisations, we are passionate about helping our clients achieve their ambitions. We have been committed to supporting them through good and tough times since 1923. Our highly experienced people have the strategic insight, drive and dedication to deliver results.

Joining Moore Kingston Smith on one of our trainee programmes gets your career off to a great start as you study for your qualification while gaining valuable experience on the job working with a variety of businesses across a wide range of sectors including technology, charity, healthcare and renewable energy.

Our programmes are a great opportunity for those leaving university or those looking to re-skill, fast tracking you to success and providing you with the support and experience you need to become a well-rounded professional. You'll complete a training programme that will equip you with the knowledge, skills and behaviours you need to excel in the role and deliver the service our clients expect from us. We are committed to giving our employees first class training in a personal and friendly working environment, with support from a Buddy, Training Manager, Training Partner and dedicated Early Talent Team.

## National Audit Office

The NAO has a unique position, and our work is highly influential. Totally and distinctively independent, we scrutinise public spending for Parliament and investigate major government projects and programmes. That means we work for, and for the good of, everyone in the country. Our people have a great reputation among our clients, Parliament, other international audit institutions and the wider accountancy profession.

For you, this means challenging and varied work that makes a visible impact and has real value for the nation. Our excellent professional training scheme leading to qualification as a Chartered Accountant will equip you with the skills you need for an impactful and rewarding career.

## NHS Graduate Management Training Scheme (GMTS)

Join the NHS Graduate Management Training Scheme and make a difference to the lives of millions of people. We are the biggest employer in Europe and have placements available across England.

Our scheme offers you the opportunity to develop into a future leader in one of our specialisms including management, human resources, finance, policy and data analytics. Our trainees work in a range of organisations and types of services. You could be improving patient care in a busy hospital department or developing better ways of using data to improve key services as part of an office-based team. You will face challenges and enjoy success on a scheme where no two days are the same. This could be the start of an amazing journey.

## Philips

At Philips, we're always looking for ways to improve lives and advance the future of healthcare. This purpose defines everything we do. It informs the products, services and solutions we create for our customers and patients. It also impacts how we work. With a mindset that supports a diverse and inclusive workplace culture, our people have different perspectives and talents. Together they collaborate and learn from each other, providing space for innovative ideas and solutions to thrive.

We strive to foster an environment that helps you grow and develop your skills and experiences with a healthy work-life balance. So you can be at your best. And what you do matters. Your work will impact people's lives and transform the future of health. Our purpose and many resources and options will bring you to a world where you can build a career full of possibilities. Your next stop: Philips UK & Ireland.

## Pulse Power and Measurement Ltd

PPM is a fast growing company benefiting from being active in growing markets and significant investment into its development programs. There is a true entrepreneurial spirit at PPM which has been at the heart of the company's successes so far.

PPM is owned by BAE Systems and is made up of four divisions. There are a range of disciplines, offering you the flexibility to switch between them. The four divisions are:

- PPM Power - Components and solutions for power electronics, high voltage and pulse power
- ViaLite Communications - Global leader in rf over fibre for broadcast, satcom, military and more.
- PPM Systems - Military, government & defence rf over fibre solutions and equipment
- PPM Test - rf over fibre for aircraft test and measurement  
Gold standard investors in people

PPM offers placement students the chance to work on live projects, have the support of dedicated and proactive mentors, and maximise their learning and development.

## Rate My Placement

Looking for a placement or internship whilst you're at university? You've come to the right place. We've got hundreds of jobs for career-hungry students like you. Lasting for up to a year, undertaking a placement will enhance your CV and help your future career.

## SITA

At SITA we are the world's leading specialist in air transport communications and information technology. With over 70 years of experience behind us, we're digitizing experiences end-to-end, minimizing disruptions and keeping passengers connected. Safer, simpler, greener, is just part of our story. Our ambition is far bigger than that. We're daring to open new doors on possibility. Using the latest technology to enhance experiences for all. Showing the world that nothing is out of reach. Do more in your career, and in our world. Make it a world of adventure, a world of possibilities. Do more in your career, and in our world. A world, wide open.

## Teach First

Teach First is an education charity.

Since 2003, we've been improving the life chances and choices for children experiencing poverty.

We train talented teachers and equip school leaders working in some of the poorest areas of the country – to give children with the fewest opportunities access to a great education.

## The University of Law

We are the largest provider of legal education in the UK (HESA 2020/21). All of our courses, including LPC, SQE, BPC and Conversion courses are designed with a unique, varied and innovative learning approach proven to deliver self-reliant professionals who can compete in the fast-changing professional world. We have a vast network in the legal industry and deliver legal training to 94 of the top 100 law firms, with exclusive relationships with 60 of the top UK law firms and many of the most prestigious US firms in the UK.

## Trident Energy Management Limited

Trident Energy is an international oil & gas company focused on the acquisition, operation and optimization of international mid-life assets.

Trident Energy's vision is to build a geographically diversified portfolio of sizable and producing mid-life oil and gas assets, onshore and offshore. We operate and redevelop them to world-class standards, and are undistracted by any other pursuit.

The company is led by an experienced management team and is supported by an equity commitment of up to \$600 million led by Warburg Pincus.

Acting sustainably is a business imperative for Trident Energy and we consider that health, safety and environment are a priority for us.

Trident Energy is a company with a remarkable depth of skills, delivered by lateral thinkers.

We have a refreshingly flat structure and welcome great ideas, wherever they come from. Whether you are experienced but lacking a creative stage for your talents, or a graduate who will challenge and surprise us – come and talk to us.

## Vodafone UK

Be part of something bigger.

In 1985, we made the first ever mobile call on a UK network. From that day, Vodafone UK was born. Since then, we've evolved into one of the world's biggest technology communication companies.

With over 12,000 people supporting more than 18 million customers, our purpose is to connect for a better future. A more inclusive, more sustainable world. Join us and you'll make an impact you can see and feel.

## Ward Williams Chartered Accountants

Ward Williams  
chartered accountants

Ward Williams is a progressive firm based in Uxbridge, Weybridge and Sunninghill providing wide ranging business solutions for small and medium sized businesses. We are dedicated to delivering an exceptional service that will contribute towards our client's business success. As a medium sized accountancy firm, we provide a wide range of services including audit and accounts, tax compliance, tax planning, payroll, financial planning, HR and company secretarial.

## Wells Fargo

WELLS  
FARGO

Wells Fargo & Company (NYSE: WFC) is a leading global financial services company with approximately \$1.9 trillion in assets and 69 million customers globally as of June 30, 2021. Founded in 1852 and headquartered in San Francisco, Wells Fargo provide a diversified set of banking, investment, and mortgage products and services, as well as consumer and commercial finance, through our four reportable operating segments: Corporate & Investment Banking, Commercial Banking, Consumer Banking & Lending, and Wealth & Investment Management.

## Meet employers throughout the year

There are lots more opportunities to meet employers throughout the year. As well as our upcoming [Diversity Fair](#) and [Summer Careers Fair](#), you can join our [sector themed weeks](#) to explore different sectors and brush up on your application and employability skills through our employer-led workshops. You can also apply for [volunteering or work experience](#) and may be eligible for our [Summer Skills Placement Programme](#).

For information on all upcoming events and to book a 121 appointment with a Careers Consultant, go to our [Careers Portal](#).

You can also drop in to speak to us in the Enterprise & Careers Hub on the ground floor of the Davison Building between 10am and 4pm Monday to Friday during term-time, if you have any questions or want to know more about the support we offer.

We look forward to seeing you again soon!
