

# Careers and Placements Fair

Wednesday 16 October, 11am-3pm

Canopy, Founder's Square

ROYAL  
HOLLOWAY  
UNIVERSITY  
OF LONDON

# Welcome to the 2024 Careers and Placements Fair

We invite you to come along and speak to employers about graduate schemes, placements and insight days in a wide range of sectors and roles. Open to all students and recent graduates.

To help you prepare beforehand and make the most of your time, we have put together some information on each of the employers attending. This will help you to plan who you will speak to on the day, as well as being a useful reference during and after the event.

You can:

1. Use the table to quickly identify the employers you are interested in and see who is offering opportunities that are relevant to you.
2. Have a look at the organisation descriptions on the following pages for more information about them.

## 10,000 Interns Foundation

10000 | INTERNS  
FOUNDATION

The 10,000 Interns Foundation challenges the under-representation of Black talent in the workplace; creating equity of opportunity through its internship programme, and equity of experience in the workplace for minoritised candidates through its wraparound support including training and mentoring. By the end of Summer 2024, 7,000 young people will have found paid opportunities through the Foundation's programme.

## Acosta Europe **acosta** | Europe

Acosta is a global sales and marketing expert with over 30,000 employees working with hundreds of the world's leading brands. 90 years of heritage mean that we have seen a thing or two and we have access to data and insight that spans every channel.

## BAE Systems

**BAE SYSTEMS**

At BAE Systems, we provide some of the world's most advanced, technology-led defence, aerospace and security solutions. We employ a skilled workforce of around 100,000 people in more than 40 countries. Working with customers and local partners, we develop, engineer, manufacture, and support products and systems to deliver military capability, protect national security and people, and keep critical information and infrastructure secure.

## Cantello Tayler Recruitment

Cantello Tayler Recruitment are based in Egham, Surrey and offer services to, companies and candidates in Surrey, Berkshire, London, Hampshire, Buckinghamshire and further-a-field too.

We have over 100 years of recruitment experience providing permanent, temporary and contract candidates to a wide range of industries and sectors, including:

Administration, Office Management, Senior Management, Customer Service, Project Management, Graduate Recruitment, Sales, Human Resources, Accounts, Purchasing, Freight & Logistics and IT.

We also offer specialist consultation on all levels of in-house and agency roles within the marketing and creative industry, including:

Advertising, Branding, Design, Insight and Innovation, Research, Direct Marketing, Digital, Events, Sponsorship, Experiential and PR.

We offer a bespoke recruitment service, working in close partnership with our clients to ensure their needs are precisely met. Our candidates benefit from a committed, personal approach, providing them with as much guidance and support as they require along the recruitment process.

## Civil Service Fast Stream

Unleash your future leadership and management potential. Grow like nowhere else. Join the Fast Stream and you'll be encouraged, enabled and empowered to shape your way in postings where you'll tackle issues that matter to people across the UK.

The Civil Service supports the government of the day to implement its policies effectively on behalf of every community across the UK. From benefits and pensions to employment services, prisons to driving licenses, our work touches every aspect of UK life. Our award-winning Fast Stream programme accelerates careers, developing talented, high-potential people into future Civil Service leaders and managers.

Offering access to roles in just about every government department, the Fast Stream opens up a huge range of opportunities. Here, we're growing tomorrow's leaders and managers, building a Civil Service for a fast-changing world, and tackling some of the biggest challenges impacting the UK. From the vast range of unique postings and projects, to a breadth and depth of experience like no other, this is a place to develop your knowledge, stretch your skills and build your networks. And because we look at your unique skills, aptitude and potential, not your background, age or degree subject, there's nothing to stand in your way.

All you need is an open mind and the determination to succeed, and we'll invest in you.

## Cooper Parry

We've been hailed 'The Rebels of Accountancy'. Sure, that sounds like a contradiction. But that's the point. In an industry so often stuck in its tired, dull ways, we're anything but. It hasn't gone unnoticed. But what does that mean for you?

Consistently recognised as the #1 Accountancy Firm to Work For in the UK, based on our people's feedback, the best people want to work and stay here, carving out careers with unmatched benefits and development opportunities.

Our wellbeing programme has won multiple European awards, and our culture is built on trust, autonomy and high performance. We 'Work From Anywhere. Anytime. Forever', but with offices dubbed some of the "coolest" in the UK, we see plenty of each other face to face too.

With an unshakeable belief that happy, engaged people produce the best results, more and more clients want a piece of the action. As such, we've become the UK's 11th largest accountancy firm. And we're the biggest with a B Corp Certification too, using business as a force for good and continually measuring and improving the impact we have on our people, clients, communities, and the planet.

If working with like-minded people for a purpose beyond profit sounds like your type of role, we should talk. From Audit, Tax, Innovation and Tech & High Growth to Deals, Outsourcing and Wealth Management, we'll help you get your dream career off to a flying start.

## Creative Access

We are the UK's leading inclusivity organisation in the creative industries. We are impact driven and have a mission to build a creative economy which reflects the society it serves. We're driven by our pillars ACCESS + THRIVE = IMPACT. We work with hundreds of partners across film, TV, the arts, theatre, museums, advertising, publishing and beyond and support thousands of individuals each year, from groups historically under-represented in the sector in terms of ethnicity, disability and lower socio-economic status, to access new careers and thrive in their existing ones.

## Dell Technologies

We are among the world's leading technology companies helping to transform people's lives with extraordinary capabilities. From hybrid cloud solutions to high-performance computing to ambitious social impact and sustainability initiatives, what we do impacts everyone, everywhere. We are a diverse team with unique perspectives. United in our purpose, our strategy and our culture. Driven by our ambition and the power of technology to drive human progress. Unwavering in our commitment to equality, trust and advocacy for one another.

## Egis Group

We create and operate intelligent infrastructure and buildings capable of responding to the climate emergency and helping to achieve more balanced, sustainable and resilient territorial development. At Egis, we are convinced that multimodal public transport is an ambitious and necessary response to the challenges of mobility and decarbonisation of transport in France.

## Enterprise Mobility™

Enterprise Mobility™ is an organisation that's grown from a pioneering idea and seven cars to a global mobility leader. Staying true to the people-first philosophy that's guided them from day one, their 90,000+ team members are now focused on shaping the mobility experiences of the future.

## Forvis Mazars

Discover your potential with Forvis Mazars

Forvis Mazars is a leading international professional services firm. We are a united partnership delivering exceptional quality in audit, accounting, tax, financial advisory, outsourcing and consulting.

At Forvis Mazars, we have a wide range of opportunities for you to gain experience in a firm that truly cares about your aspirations. Forvis Mazars is an amazing place to learn and grow, we are known for giving ambitious people responsibility and exposure early in their career.

Our culture is all about, celebrating individuality and we thrive on teamwork. We give people the freedom to make a personal contribution to our shared purpose. We work together to deliver quality, create change and make an impact. We support one another to deliver quality, create change and make an impact, so that everyone can reach their full potential.

We employ into 13 of our offices nationally, meaning there is an opportunity to suit you in whatever field and location you wish to start your career in.

## Fugro

We use the power of Geo-data to unlock the secrets of Earth. From surface to subsurface, natural to built environment. We unlock insights from Geo-data for a safe and liveable world. We do this by mapping, modelling and monitoring both the built and natural environments of planet earth. Our four core values guide us as we work to fulfil our mission: We are determined to deliver, we prepare for tomorrow, we do what's right, and we build trust. We offer opportunities to students looking to begin their career in Geo-data, whether that's in site characterisation in marine and land environments, asset integrity or our support services.

## [graduate-jobs.com](https://graduate-jobs.com)

graduatejobs.com

## Mazars

mazars

Forvis Mazars is a leading global professional services network operating under a single brand with just two members: Forvis Mazars, LLP in the United States and Forvis Mazars Group SC, an internationally integrated partnership operating in over 100 countries and territories.

With a legacy spanning more than 100 years, Forvis Mazars is a natural extension of both firms' heritage. At our core is our commitment to providing a different perspective and an unrivaled client experience that feels right, personal, and natural. As a network of just two, allied organisations, we act fast, to deliver consistent and agile audit, tax and advisory services worldwide.

We nurture a deep understanding of our clients' industries, delivering greater insight, deeper specialism and tailored solutions. Together, our combined teams of 40,000+ professionals have the experience and skills to best serve organisations of all sizes, both locally and globally, now and into the future.

## Menzies LLP

**MENZIES**  
BRIGHTER THINKING

Menzies is a leading UK business advisory and accountancy firm with international reach. We help accelerate your ambition, with a proven track record supporting both businesses and individuals to successfully reach their goals.

We focus on optimising our clients financially, operationally and strategically across Audit, Tax & Compliance, Accounts Advisory, Financial Planning and Transaction Services. Our 10-sector specialist teams work with Menzies experts in Strategic Business Advisory, International Expansion, Outsourced Services and Financial Planning, to create value and transition clients to the next stage in their journey.

Even as we scale, we continue to take a Partner-led approach to our client relationships. We use our Brighter Thinking methodology to empower clients with greater confidence and certainty in the face of increasing complexity.

Founded in 1912, Menzies is headquartered in London, with 600+ employees. Our clients are mid-size and large privately held corporates, non-profits, and individuals, across the UK and internationally via major market country-desks, and in 157 countries globally through Menzies membership of HLB, the global advisory and accounting network.

## Metric Search Limited

Metric is a New York founded, high growth global recruitment business partnering with some of the world's most cutting edge and innovative businesses to build world-class teams. Having secured multi-million-pound investment from one of Europe's most active investors BGF, we're proud to offer Metric Exec, a disruptive, client-friendly C-Suite Exec and Board talent solution service across all our specialisms.

At Metric Geo, we utilize our global reach to build world-leading teams for our partners in the Infrastructure and Engineering industry. Our team of industry specialists passionately provide solutions to the global shortage of engineering talent, building long-term partnerships with our clients.

Metric Bio is home to some of the world's best recruiters in the MedTech and Life Science space. Our world-leading team of experts passion lies in delivering cutting edge talent solutions to visionary clients, positively impacting human health.

## proAV

proAV is a global audio visual systems integrator and support services provider. proAV's core business comprises the design, integration, management and support of audio visual and broadcast facilities throughout all market sectors. proAV primarily works within the corporate and public sectors providing high end integrated systems and managed services for boardrooms, auditoria, audio and video conferencing suites, building-wide TV distribution systems, meeting rooms, digital signage and video streaming systems. We design, integrate and support blended technology solutions with AV, UC and beyond. We provide end-to-end services and 24/7/365 support to enhance global collaboration and empower your world of communication.

## Psalt

Psalt Rise is a non-profit organization that helps underrepresented talent at the beginning of their careers. They offer a variety of services, including: Career development workshops, Interview and assessment center coaching, Mentorship program, Professional skills masterclasses, and Partner company events.

Psalt Rise's goal is to help people move past labels and create a world where people are valued for their unique qualities. They believe that access and exposure are key to success, and that organizations need to equip people with the tools to thrive.

## Publicis Groupe

Publicis Groupe UK is a marketing and digital transformation business. 6,000 people and 27 agencies working together to solve client challenges and unlock growth.

Our ethos – Viva la Difference – and our single Groupe structure, seamlessly delivers cross-capability teams and work that is free of silos and siloed thinking.

We deliver the best of both worlds; strong agency brands with distinct cultures that produce amazing work and a simple Groupe structure that facilitates and rewards collaboration.

We are designed to help our clients thrive, with the capabilities, the experience and the understanding needed to help our clients unlock growth in a platform world. Our model is built to serve our clients' ambitions, and our best-in-class talent provide solutions to the challenges our clients face.

## RateMyPlacement

### No1 Job Board

RateMyPlacement.co.uk is the UK's leading jobs board for students seeking paid placements, internships, graduate roles and insight schemes.

We work closely with huge brands such as The Walt Disney Company, L'Oreal, J.P Morgan and many more to bring you all of the work experience opportunities in one place.

We have hundreds of jobs on our website from different industries and in different locations. Making your job search 100 times easier, because it's all in one place!

### Peer-to-peer reviews

Unlike other career sites, we also host thousands of reviews written by students who have completed work experience. So that you can gain insider knowledge of what it's really like to work within these companies.

## Rouse Partners LLP

We've been supporting businesses and individuals for 100 years with a full range of accountancy, tax, assurance and advisory services.

Today, we are an award-winning, multi-skilled team of more than 90 experienced team members and industry specialists, and featuring in the Accountancy Age 'Top 100'.

We are committed to offering the best-in-class training and development programmes, flexible working opportunities, team social and charitable activities.

Your career at Rouse will be underpinned by our four values of Respect, Integrity, Care and Excellence which are at the heart of everything we do. We encourage an all-encompassing culture where people can be themselves.

## Royal Holloway Careers Service - Placements

We coordinate the Summer Skills Placement Programme for first-year students who are enrolled in a year in business or year in industry course, and all second-year undergraduate students who are of Black Heritage, care-leavers, those from low-income backgrounds, first-generation university students, and students registered with Royal Holloway's Disability & Neurodiversity Service. Our programme offers a comprehensive application process featuring careers workshops, CV assessments, and interviews. Additionally, we provide key information on the Optional Placement Year for undergraduate students and manage the Holloway Global initiative, which offers a variety of opportunities for students to study, volunteer, or work abroad.

## Teach First

Teach First is a UK-based educational charity that focuses on addressing educational inequality by recruiting and training talented individuals to become effective teachers and leaders in schools that serve disadvantaged communities. Our mission is to ensure that every child, regardless of their socio-economic background, has access to a high-quality education.

## TJX Europe

With 4,300 stores in nine countries, you've probably already shopped with us. Now's your chance to join the team that's helping grow TK Maxx and Homesense in Europe. Our flexible business model ensures every day is different, because we never know what products we're going to sell next. And that keeps everyone on their toes, whether you're predicting product trends in merchandising, supporting business decision making in finance, or developing new digital solutions in IT. We're proud of the diversity of the products we sell and the people who work together here, tackling new challenges. Join us, and you'll be empowered to find solutions that'll shape our future and yours.

## The University of Law

Embark on a transformative journey with The University of Law's esteemed postgraduate courses. Our legacy of shaping accomplished professionals across diverse fields underscores our commitment to excellence.

Benefit from our rich heritage of educational innovation, where high teaching standards and unwavering support drive you toward your career goals. Immerse yourself in a dynamic learning environment designed to cultivate the mindset and skills of successful legal or business professionals.

Our courses blend academic rigour with practical application, ensuring readiness for real-world challenges in law, business, and beyond. With a focus on employability, our dedicated careers services support you from enrollment, maximising success opportunities.

Join our global alumni network, where over 95% secure highly skilled employment within 15 months of graduation. Choose from specialized programs, taught by over 90% qualified lawyers with real-life experience.

## Trident Energy Management Limited

Trident Energy was formed with a focused mission: to unlock the value of mid-life oil & gas assets. These are fields that are no longer central to their owners' strategic goals but can still deliver growth through applying fresh thinking, specialist mid-life experience and technology.

Our skill lies in finding undiscovered efficiencies to increase production and reserves. We apply forensic attention to detail, re-interpreting subsurface data and leveraging the existing infrastructure to redevelop and re-energise fields. Our activities range from well-work and drilling to near-field exploration.

The Trident company values express our shared understanding of what we believe, how we behave and what we aspire to achieve as an organisation. These shared values, also known as our 'ROCKS' (Respect, Ownership, Courage, Knowledge, Safety) are a set of guiding principles and fundamental beliefs that help everyone at Trident Energy to work together towards our business goals.

## Wiser Academy

wiser

Wiser Academy is a network of over 200+ campus Ambassadors and Team Leads based in 70+ universities across the UK and Ireland. Our Academy ambassadors are known for being the go-to students for promoting the best career opportunities on campus and can reach a wide range of diverse talent across their university through their student network, societies and more. The Academy Team at Wiser HQ manages this group of well-connected students and trains them to represent the biggest and best graduate employers from a variety of sectors - these include L'Oréal, KPMG, Knight Frank... just to name a few! Carefully selected, this group of exceptional students are defined by their enterprising nature and their huge variety of interests and experiences.

At Wiser, we believe that if you're good enough, you're old enough. So our commitment to Early Talent starts with helping employers see the power of young people, and helping young people to find a job which realises their potential.

## Meet employers throughout the year

There are lots more opportunities to meet employers throughout the year. As well as our upcoming Diversity Fair and Summer Careers Fair, you can join our sector themed weeks to explore different sectors and brush up on your application and employability skills through our employer-led workshops. You can also apply for volunteering or work experience and may be eligible for our Summer Skills Placement Programme.

For information on all upcoming events and to book a 121 appointment with a Careers Consultant, go to our Careers Portal at **[careersportal.royalholloway.ac.uk](https://careersportal.royalholloway.ac.uk)**

You can also drop in to speak to us in the Enterprise & Careers Hub on the ground floor of the Davison Building between 10am and 4pm Monday to Friday during term-time, if you have any questions or want to know more about the support we offer.

We look forward to seeing you again soon!
