Networking: Take a look at our suggestions on how to get the conversation started....

- What was your career path after university?
- What makes a good candidate for your sector?
- How do you think your job will be different in five years time?
- What challenges are your firm facing?
- What has been the best/most rewarding case you’ve worked on in your career?
- What skills and experience will allow me to succeed in this sector?
- What can I do while I am at university that will help me to get hired?
- Do you have to decide your specialism before you choose which law firm you want to work for?
