Student ID:

Dear

If you do not wish to apply for the Graduate Immigration Route visa please ignore this email, there is no need to respond.

You are receiving this email as you have been sponsored on a Student Route (previously Tier 4) visa and finished studying at Royal Holloway, University of London. On review of your student record we do not believe that you are eligible for the Graduate Immigration Route. To be eligible for the Graduate visa you must meet all the following criteria:

- you're in the UK
- your current visa is a [Student visa or Tier 4 \(General\) student visa](#) and still valid
- you studied a UK bachelor's degree, postgraduate degree or other eligible course for a minimum period of time with your Student visa or Tier 4 (General) student visa.
  - You need to have studied your course in the UK for at least 12 months or the full length of your course, whichever is shorter.
- you've successfully completed that course

You can [check if your course is eligible and how long you need to have studied in the UK](#). If you're not eligible for a Graduate visa, you may be eligible for [another type of visa to stay in the UK](#).

If you are in the UK and think you are eligible, please go on to your [Campus Connect](#) account to check your personal UK address is up to date. If you have been given a resit or repeat outcome, not yet been awarded or given an exit award you will not be considered eligible at this point in time. We will be running this process on a weekly basis so if you have not heard from us further to confirm you are eligible within 10 days of any update that has occurred on your record then please, contact International Student Support Office at [internationaladvice@royalholloway.ac.uk](mailto:internationaladvice@royalholloway.ac.uk) for further guidance.
