Dear [TEST]

If you do not wish to apply for the Graduate Immigration Route visa please ignore this email, there is no need to respond.

Congratulations on completing your programme at Royal Holloway, University of London. We have reviewed your student record and based on this information we believe you to be eligible for the Graduate Immigration Route.

However, we cannot guarantee that you will be approved by UK Visa and Immigration for the Graduate Immigration Route as they will do further checks to confirm whether they can approve your application to this route.

What is the Graduate Immigration Route?

A Graduate visa gives you permission to stay in the UK for at least 2 years (or 3 years for Postgraduate Research students) after successfully completing a course in the UK. You must be in the UK and have current leave remaining on your Student Visa (previously Tier 4) when you apply. You can apply for a Graduate visa if all of the following are true:

- you're in the UK
- your current visa is a [Student visa or Tier 4 \(General\) student visa](#)
- you studied a UK bachelor's degree, postgraduate degree or other eligible course for a minimum period of time with your Student visa or Tier 4 (General) student visa.
 - You need to have studied your course in the UK for at least 12 months or the full length of your course, whichever is shorter.
- you've successfully completed that course
