Speeches to be submitted Noon Monday 4 December

What is Student Oration?
At each graduation ceremony there will be an opportunity for a graduating student to deliver a speech to their fellow graduands, guests and University staff.

This is an opportunity for Royal Holloway graduands to share their experiences and thank those who have supported them during their time at Royal Holloway. The speech should last 4-5 minutes (approximately 350-700 words).

Successful candidates
Each successful orator will receive VIP seats for their guests.

Stage one
Graduands will be asked to complete an application form on MS Teams indicating why they would like to deliver the student speech at your ceremony. Please note this is a maximum of 200 words.

• The application form will be open w/c 2 October. Graduands must complete the MS form HERE.
• All graduands must complete the application before 11:59 GMT Monday 16 October to be considered as a Student Orator.

Stage two
We ask that all students who have completed Stage One, create a 1–2-minute talk for video. The focus of the video is an experience at Royal Holloway that has been transformational. For example:

• a turning point in your academic studies,
• a positive memory of an extra-curricular activity
• a social experience with students from different backgrounds

In the short talk, we ask the graduands to make sure they reflect on what the experience has enabled them to learn.

The video must be uploaded on to Panopto by noon GMT on Monday 13th November. More information on how to upload the video will be sent to all students who have completed stage one week, commencing 16 October

Marking criteria
Once submitted, both the content of the video and their communications skills will be assessed. We are looking for speakers who can:

• convey a positive message about their experience at Royal Holloway that is uplifting, inclusive and thought-provoking
• communicate in a clear, engaging way with good eye contact and vocal delivery that demonstrates varied pitch and pace
From October 16 we will share further guidance on how to prepare for the Stage Two video talk, please find support on our webpages - Student Oration - Royal Holloway Student Intranet.

Next steps for successful candidates
All successful students will be contacted by email by 17 November.

We ask that the final speech is sent to graduation-ceremonies@RHUL.ac.uk by 4 December.

A 30 minute briefing session via teams will be held on November 23 between 3-3.30pm via MS teams. This session will cover what to expect on the day and provide the graduands with an opportunity to ask any questions.
