Top Tips for Peer Guides

1. Keep in touch with your Peer Guide Leader or the Peer Guide team if you need any support.
2. Discuss how your mentees would like to be contacted in the first meeting.
3. Get involved in lots of Welcome Week activities so students get to know you in a relaxed environment.
4. Keep it fresh - change your meeting time, day and location, and even the way you contact your mentees to help maintain attendance.
5. Regularly check your College email account for updates from your Peer Guide Leader and the Peer Guide team.
6. Only offer one-to-one meetings if necessary (keep to public places).
7. Keep up to date with activities and support available on Campus.
8. Encourage your mentee to meet with their Personal Tutor.
9. Keep a log of the hours you’ve volunteered to make sure you receive the correct number of Passport points.
10. Share your personal experiences with your mentees – they’ll appreciate the personalisation!
