We welcome our new students, and we hope that you will soon feel at home in our creative and critical community. We congratulate returning students your past years’ achievements and look forward to the year ahead.

You join a department consistently ranked in the top 10 for research in media. Your experience on the degree will be informed by this research and the professional expertise of staff in the department, offering you courses that are dynamic, challenging, innovative and intellectually stimulating. We aim to develop your critical thinking and your creative expression, foster your intellectual curiosity and offer you a range of experiences that prepare you for the world after university.

Your role in our creative, critical community is paramount: if there's a problem, a new idea, an opportunity: Tell us! Get involved.

As part of this community you also have an important obligation to your peers and to the department: you will need to work hard, communicate effectively, attend regularly and be reliable in your commitments to peers and staff alike.

We have a number of exciting opportunities and events planned for the year ahead, including the return of a range of different alumni and guest industry speakers, gallery visits and more.

Within our creative, critical community your studies will develop your potential, but this will require commitment, determination and inspiration. Good luck!

1.1.1 Coronavirus

This handbook refers to processes, policies and procedures developed before the Coronavirus pandemic. In order to keep students and staff safe, during the academic year 2020/21, some practices and procedures within the department may be different to those described in this handbook. You should carefully monitor your College email account and your module Moodle pages for regular updates on social distancing, flexible learning, and other safety measures.

1.2 How to find us: the Department

1.5 How to find us: the School office

The School office is located in room KWBo-01 on the ground floor of the Katharine Worth Building. Opening hours are Mondays to Fridays between 08:30am and 5:30pm. Michael Masters, the School helpdesk Officer, is your first point of contact for administrative queries.

If you have any issues relating to your ability to perform academically, please consult with your course tutor and/or your personal tutor. You can also contact Louise Mackay, the School Manager, in KWB103 or Jackie Marty, Student & Programme Administration Manager, in KWBo01 if any academic or administrative issues arise for which you feel you would benefit from a private consultation. The college website provides much of the information that you will need, plus contact details, during your time with us: www.royalholloway.ac.uk/students.

1.6 Staff research interests

Details of all staff research interests can be found on the departmental website: https://www.royalholloway.ac.uk/mediaarts/research/home.aspx.
2 Support and advice

2.1 Support within your School

The School Helpdesk is there to help you with any questions or concerns you might have about your studies. It is situated in 0-01 of the Katharine Worth Building. Opening hours are 8:30am to 5:30pm in term time and 10:00am to 4:00pm during vacation. The Helpdesk is staffed throughout these opening hours. You can call in person during opening hours, ring +44 (0)1784 276885 or email pda-school@rhul.ac.uk. Depending on your query, the Helpdesk will answer your questions then and there, put you in touch with a colleague who can help, or find out the answer and get back to you. If you wish, you may also talk to them in private and they will make sure you receive the support you require.

Your first point of reference for advice within the Department is your personal tutor. Inevitably, problems will sometimes arise that staff within the department are not qualified to deal with. The College offers a high level of student welfare support which includes a highly regarded Counselling Service, dedicated educational and disability support, as well as a wealth of student wellbeing financial, career and other advice. There is also an NHS GP practice (the Health Centre) on campus located in Founder’s East. Further details of each service can be found on the College web on the Student Welfare page.

3 Communication

3.1 Post

All post addressed to you in Media Arts department is delivered to the student pigeonholes (alphabetical by surname) outside G14, Arts Building. At the end of each term student pigeonholes are cleared of accumulated mail which is then destroyed.

3.2 Personal Tutors

A personal tutor is assigned to every student and regular meetings are arranged by the tutors (at least once a term). These meetings will provide an opportunity for students to discuss any matters of concern, whether relating to their academic progress or to other aspects of their life and work in the department. Personal Tutors have a duty of confidentiality about issues raised by their advisees. Your Tutor will have regular office hours which are usually displayed on their office door. You can visit your Personal Tutor, or speak to them via Microsoft Teams, during their office hours. You may also make an appointment to see your Personal Tutor if you have anything you wish to discuss outside their office hours.

3.3 Questionnaires

Towards the end of the Autumn and then Spring Term you will be asked to fill out a module questionnaire for each module you take. This is completely anonymous and will ask for your thoughts and opinions on various aspects of the module.

4 Teaching

4.1 Study weeks

The department of Media Arts has no formal study weeks, and there are no study weeks for first year students. For second and third year modules, individual module conveners may decide to have a one week break during, and will advise students accordingly.

5 Degree structure

Full details about your programme of study, including, amongst others, the aims, learning outcomes to be
achieved on completion, modules which make up the course and any course-specific regulations are set out in the course specification available through the Course Specification Repository.

5.1 Department specific information about degree structure
Full details about your specific programme of study, including, amongst others, the aims, learning outcomes to be achieved on completion, courses which make up the programme and any programme-specific regulations are set out in the programme specification available through the Programme Specification Repository.

5.2 Change of course
You may transfer to another programme subject to the following conditions being met before the point of transfer:

(a) you must satisfy the normal conditions for admission to the new programme;
(b) you must satisfy the requirements in respect of mandatory courses and progression specified for each stage of the new programme up to the proposed point of entry;
(c) the transfer must be approved by both the department(s) responsible for teaching the new programme and that for which you are currently registered.
(d) if you are a student with Tier 4 sponsorship a transfer may not be permitted by Tier 4 Immigration rules.
(e) you may not attend a new programme of study until their transfer request has been approved.

Further information about changing programmes is available in Section 8 of the Undergraduate Regulations. If you hold a Tier 4 (General) student visa, there may be further restrictions in line with UKVI regulations.

Any student who wishes to change degree at the end of first year (e.g. from a joint honours programme to single honours) to move directly into the second year must have achieved a 2.1 average for their first year.

6.2 The Library

The Library is housed in the Emily Wilding Davison Building.

Details, including Library Search, dedicated subject guides and opening times can be found online from the Library home page.

The Ground Floor of the Library contains a High Use Collection which includes many of the books assigned for undergraduate courses. The rest of the Library collections are on the upper floors. There are plenty of study areas and bookable rooms to carry out group work, as well as many areas to work on your own. The Library contains a large number of PCs and has laptops to borrow on the ground floor to use in other study areas.

The Information Consultant for Media Arts is Rachel White, who can be contacted at Rachel.White@rhul.ac.uk.

6.3 Photocopying and printing

The departmental printers and photocopier are reserved for staff use. Copier-printers (MFDs) for students are located in the Library, the Computer Centre and many PC labs, which will allow you to make copies in either black and white or colour.

If you require copying to be done for a seminar presentation, you need to give these materials to your tutor to copy on your behalf. Please make sure that you plan ahead and give the materials to your tutor in plenty of time. Many of the PC labs are open 24 hours a day, 7 days a week. Alternatively, there are computers available for your use in the Library, and Computer Centre.

6.4 Computing

How to find an available PC

There are ten open access PC Labs available on campus which you can use, including three in the Computer Centre. For security reasons access to these PC Labs is restricted at night and at weekends by a door entry system operated via your College card.
7 Assessment Information

7.1 Anonymous marking and cover sheets
All student work is marked anonymously. The marker sees only the candidate number, not the candidate's name. In third year, for work where the first marker has supervised the project (such as dissertations and practice work) and is therefore likely to be aware of the candidate's identity, each piece of work is second marked.

Feedback is provided via Turnitin and students are advised to pay particular attention to the advice on ‘the points for development’ section and/or to discuss the feedback with their module tutor.

7.2 Submission of work
All assignments should be submitted in accordance with the instructions on the assessment's briefing sheets. These assessment sheets will be issued by the course tutors and posted on Moodle.

7.3 Penalties for over-length work
Work which is longer than the stipulated length in the assessment brief will be penalised in line with Section 13, paragraph (5) of the College’s Undergraduate Regulations:

Section 13 (5)

Any work (written, oral presentation, film, performance) which exceeds the upper limit set will be penalised as follows

(a) for work which exceeds the upper limit by up to and including 10%, the mark will be reduced by ten percent of the mark initially awarded;

(b) for work which exceeds the upper limit by more than 10% and up to and including 20%, the mark will be reduced by twenty percent of the mark initially awarded;

(c) for work which exceeds the upper limit by more than 20%, the mark will be reduced by thirty percent of the mark initially awarded.

The upper limit may be a word limit in the case of written work or a time limit in the case of assessments such as oral work, presentations or films.

In addition to the text, the word count should include quotations and footnotes. Please note that the following are excluded from the word count: candidate number, title, course title, preliminary pages, bibliography and appendices.

7.4 What to do if things go wrong – Extensions to deadlines
Please refer to the Extensions Policy and guidance on the College’s webpage about Applying for an Extension.

7.5 Support and exam access arrangements for students requiring support
Some students at the College may have a physical or mental impairment, chronic medical condition or a Specific Learning Difficulty (SpLD) which would count as a disability as defined by the Equality Act (2010) that is, “a physical or mental impairment which has a long-term and substantial effect on your ability to carry out normal day-to-day activities”. It is for such conditions and SpLDs that Disability and Dyslexia Services (DDS) can put in place adjustments, support and exam access arrangements. Please note that a “long-term” impairment is one that has lasted or is likely to last for 12 months or more.

If you have a disability or SpLD you must register with the Disability and Dyslexia Services Office for an assessment of your needs before adjustments, support and exam access arrangements (if) can be put in place.
There is a process to apply for special arrangements for your examinations – these are not automatically put in place. Disability and Dyslexia Services can discuss this process with you when you register with them. Please see section 2 above for further guidance about registering with the Disability and Dyslexia Services Office.

Please note that if reasonable adjustments, including exam access arrangements, have been put in place for you during the academic year, the Sub-board will not make further allowance in relation to your disability or SpLD.

7.6 Academic misconduct - Plagiarism

‘Plagiarism’ means the presentation of another person’s work in any quantity without adequately identifying it and citing its source in a way which is consistent with good scholarly practice in the discipline and commensurate with the level of professional conduct expected from the student. The source which is plagiarised may take any form (including words, graphs and images, musical texts, data, source code, ideas or judgements) and may exist in any published or unpublished medium, including the internet. Plagiarism may occur in any piece of work presented by a student, including examination scripts, although standards for citation of sources may vary dependent on the method of assessment.

Identifying plagiarism is a matter of expert academic judgement, based on a comparison across the student’s work and on knowledge of sources, practices and expectations for professional conduct in the discipline. Therefore, it is possible to determine that an offence has occurred from an assessment of the student’s work alone, without reference to further evidence.

The departments guide on how to avoid Plagiarism can be found at: https://intranet.royalholloway.ac.uk/mediaarts/informationforcurrentstudents/home.aspx.

8 Engagement Requirements

The Attendance and Academic Regulations webpage provides more information about the attendance and engagement policy.

We will be looking at attendance at all timetabled events – either online or in-person. This includes seminars, workshops, lectures, etc. We will be looking at the following areas to monitor your engagement with the course:

1. Students with 5 or more consecutive days of absence, on a weekly basis
2. Students with less than 50% attendance, on a monthly basis.

9 Health and safety information

The Health and Safety webpage provides general information about our health and safety policies.

9.1 Code of practice on harassment for students

The College is committed to upholding the dignity of the individual and recognises that harassment can be a source of great stress to an individual. Personal harassment can seriously harm working, learning and social conditions and will be regarded and treated seriously. This could include grounds for disciplinary action, and possibly the termination of registration as a student.

The College’s Code of Practice on personal harassment for students should be read in conjunction with the Student Disciplinary regulations and the Complaints procedure.
9.2 Lone working policy and procedures

The College has a ‘Lone Working Policy and Procedure’ that can be found here.

Lone working is defined as working during either normal working hours at an isolated location within the normal workplace or when working outside of normal hours. This includes:

i) lone working in the Media Arts Centre, for example when editing digital film. This type of work conducted by students is classified as a low risk activity (further guidance is available at: https://intranet.royalholloway.ac.uk/mediaarts/documents/pdf/2019-2020-tech-pdfs/using-the-media-arts-centre-post-production-facilities-kb180919.pdf);

ii) lone working when conducting film and recording work. The health and safety risk is entirely dependent on the location and action and event being filmed, and has to be done via our Production Buddy system for each production. All students and staff are required to read and comply with the College’s Health & Safety Policy, available on the following website: https://intranet.royalholloway.ac.uk/mediaarts/documents/pdf/2019-2020-tech-pdfs/location-filming-code-of-practice-kb180919.pdf.

The Media Arts Health & Safety policy explains how the department implements the College policy at an operational level and you are required to read this in order to understand your responsibilities: http://www.rhul.ac.uk/mediaarts/documents/pdf/healthsafetypolicy.pdf.

Be advised you must observe the College smoking policy which, apart from specific exceptions, prohibits smoking inside or within 5 metres of any College building. This effectively prohibits smoking in the passageway between the Williams, Computer Centre and Moore buildings.

Any health and safety concerns should be brought to the attention of the Departmental Health and Safety Coordinator Keith Buckman or the College Health and Safety Office.

It is likely that most activities will take place on College premises. However, the principles contained in the above section will apply to students undertaking duties off campus.

9.3 Placements

We offer a competitive work placement scheme with the Careers Advisory Service. Placements are typically 2-4 weeks in length and take place between May and October each year so as to avoid clashing with students’ studies. To gain a place on the placement scheme, students go through a competitive and developmental process that builds their skills in CV writing, interview skills and self-presentation. More details and timing are available via the website: https://www.royalholloway.ac.uk/research-and-teaching/departments-and-schools/media-arts/your-future-career/.

9.4 Practicals

You will be given health & safety training as an integral part of your practice skills work. Attendance on these training sessions is compulsory. Failure to attend will result in the use of equipment being prohibited.

Be aware that you will be legally responsible for implementing safe working practice during your productions, which will include meeting your obligations to protect members of the public and other parties when filming on or off campus.

The departmental Health & Safety Coordinator is able to offer advice and assistance in relation to health & safety management, including your own practice work. More information about the department’s health & safety arrangements, including guides for your practice work, can be found on the following web pages: https://intranet.royalholloway.ac.uk/students/study/student-department-information/media-arts.aspx.

If you, or anyone else involved in your practical work, suffers an injury or experiences an incident that could have caused injury, you must report this as soon as possible using the form available on the Media Arts Skills Centre Moodle.
9.5 Specialist equipment

Some of the equipment and facilities you will use for media production have safety risks, which have been risk-assessed and various control measures have been defined to reduce the risks. A key element of this is training and supervision, which you will be given during the course, and we have also published a number of work method statements and guidance notes which can be found on the following website: https://intranet.royalholloway.ac.uk/students/study/student-department-information/media-arts.aspx.

10 Department codes of practice

Students are required to sign the Media Arts Centre Agreement when they register on the department's Production Buddy system. Please read the Agreement as this offers a useful explanation of what is available to you and how the Media Arts Centre operates.

The development of practice skills is an integral part of your learning and you are expected to attend training sessions, which sometimes have to be scheduled in addition to your timetabled classes, normally during the term when particular training needs are identified. These sessions are often run by the Media Arts Centre staff and are not to be considered as optional. Any absences will disrupt classes and the progress of everyone's skills development, so you must attend when training is scheduled or if your course tutor has asked you to attend a particular event. You will be unable to borrow items of course equipment or use the Centre's facilities until you have been trained to use them.

10.3 Media Arts Filming and Actors

The department takes very seriously the issue of providing actors with a copy of the film they worked on. They do not receive any payment for their services except travel expenses and so this is least you can do. In the past, directors have neglected to do this and it reflects very badly on both them and the department. We will treat this in the manner that College treats those with unpaid fees or library fines – you will not be allowed to graduate until the deficit has been made good.
