

Royal Holloway Chapel

Spring term 2024

Welcome Back!

The Chapel is the spiritual heart of Royal Holloway. It's a place for quiet and retreat from the busy-ness of campus. It's a place of beauty in music, art and architecture. Here we see our own paths of learning in the wider context of our relationships, our whole lives, and the needs of our world.

The chaplaincy are available to support students and staff of any faith and none. If you are not sure who to turn to, we will do whatever we can to ensure your needs are heard. Our contact details are on the back of this card.

Both the Catholic and Anglican chaplain's roles are currently vacant, so this term in chapel looks a bit less busy than usual. Our student chapel wardens are working with the musicians and chaplaincy team to ensure our midweek choral services continue.

If you'd like to explore our chapel community, and see whether it's for you, do drop in to our services in chapel and other events — we know it can be scary to walk into an unfamiliar group of people doing unfamiliar things, but we want you to feel welcome and we'll do our best to make you comfortable!

Weekly Chapel Services

Monday 8 Jan — Thursday 24 Mar

Tuesday	8.30pm	Gregorian Chant Compline
Wednesday	8.45am	Morning Prayer <i>(with Chapel Choir)</i>

Members of the public are welcome to join in chapel services; please park in car park 12 (near the tennis courts).

Note that during a period of vacancy in the roles of Anglican Chaplain and Catholic Chaplain, we are operating this reduced schedule of services in the spring term. We hope that a fuller schedule of services will return for the summer term.
