

Community Action Project

Swan Sanctuary

Community Action Partner

The Swan Sanctuary

Aim: The Swan Sanctuary rescues and rehabilitates swans and provides care for other waterfowl and wildlife.

Role: Volunteers help out one morning per week, rehabilitating rescued animals and assisting in animal husbandry. Volunteers need to be prepared to 'muck in' and work independently being reliable and punctual. The role involves lots of bending and lifting, so volunteers should be able-bodied with no back injuries.

Training: Basic animal husbandry training is provided.

Location: Shepperton based.

Times: 8am - noon, Monday - Friday

CRB: A CRB is not required for this project.

Other: The project has accessibility.

Application: All volunteers must be registered as Community Action volunteers. To do so, visit <http://www.rhul.ac.uk/services/volunteering/register.html>
