

Community Action Project

Tommy's Charity Run

Community Action Partner

Tommy's

Aim:

Tommy's exists to save babies' lives. We have 3 research centres in London, Manchester and Edinburgh dedicated to finding the causes and treatments of miscarriage, premature birth and stillbirth. We also have a free phone information line staffed by midwives.

Roles:

We have an annual 8K run at Virginia Water, Windsor Park on a Sunday in July and we need volunteers to:

- cycle around the course and put up route signs at 08:00 on the morning of the event
- cycle around the course at the finish and remove signs
- Litter pick at 12:00 on the day of the event
- Marshal and hand out balloons to children – 09:00-12:00

Training:

A pre-induction meeting will be held in the week prior to the event at Virginia Water

Location: Virginia Water Lake

Times: Provisional date of Sunday 7 July from 08:00 – 12:00

CRB: No CRB is required for this project
