Aim: Nacro, the crime reduction charity, aim to make society safer by finding practical solutions to reducing crime. Since 1966 they've worked to give ex-offenders, disadvantaged people and deprived communities the help they need to build a better future. Nacro has over 200 projects across England and Wales, from which over 60,000 people benefit directly from our work each year. Many more benefit from the work they carry out with national, regional and local agencies.
